Pro Stock Rules & Specifications

INTRODUCTION

King Of Dirt venues are competitive racing events hosted by tracks in and/or around the Capital Region of Upstate, New York. They are intended for both competition among drivers and entertainment among all who attend. By participating in and/or attending these events drivers and crews are agreeing to abide by all rules and regulations set forth by King Of Dirt Racing and it's partner tracks.

The publication and subsequent compliance of rules and regulations set forth by King Of Dirt Racing do not imply or guarantee safety as a result of said compliance of the rules stated herein. Racing is a dangerous sport and rules are intended as a guideline for the conduct, officiating, and safety of all involved.

The series race director or appointed official by King Of Dirt Racing at any event shall be empowered to enforce any rules set forth herein. Also King Of Dirt Racing reserves the right to amend and/or adjust any rule at any point during the season to ensure competitive balance. Any revision of a rule does not imply or guarantee safety as a result of compliance. All interpretation and enforcement of said rules are left to the discretion of series officials and/or partner track officials and their judgment is final.

All drivers competing in King Of Dirt Racing on track events including but not limited to warm ups, time trails, heat races, consolations, or feature races must sign a participant waiver form at the KOD registration table prior to their first tour event.

1.0 MEMBERSHIPS

1. King Of Dirt Racing currently offers memberships to 'out of market' drivers looking to obtain 'Home Track Bonus Points' only. The cost of membership is \$50 paid one time per season, which goes into that drivers divisional point fund. This does not include the mandated \$20 entry fee, which is typical at each KOD touring event.

2. There is a minimum \$20 entry fee per King Of Dirt Racing event. This entry fee from each driver participating in said event is put into that particular drivers divisional point fund to be distributed at the end of the season to the top point earners.

2.0 CODE OF CONDUCT

1. All drivers competing in King Of Dirt Racing events are expected to behave in a professional manner as defined by series officials. Examples of unprofessional behavior such as the following are, but not limited to verbal abuse, written abuse, physical abuse, verbal misrepresentation of the series, written misrepresentation of the series, and/or any representation that is either derogatory or inflammatory towards King Of Dirt Racing, partner tracks, sponsors, or other participating teams.
2. Drivers are not only responsible for their behavior, but also the behavior of team members, crew, owners, and/or anyone associated with said team/driver.
3. Fist fighting or physical confrontations of any kind will not be tolerated. Any disputes and/or concerns can be addressed properly and in a calm manner with governing officials from King Of Dirt Racing and/or partner tracks if the situation requires.
4. Drivers and/or teams are expected to comply with rules and regulations as set forth by King Of Dirt Racing. Any driver and/or team found in violation of rules and regulations set forth by King Of Dirt Racing at the discretion of series officials in conjunction with track officials determinations can be subject to disqualification, fines, and/or suspension.
5. Any driver disqualified for technical infractions will forfeit all points or purse money for the evening. Purse money will be paid to King Of Dirt Racing and go into that drivers particular divisional point fund.
6. Drivers are expected to remain with their car in the event of an accident unless reasonably instructed by an official to do otherwise. Any driver who exits their car can be subject to penalties that include, but are not limited to disqualification, suspension, and/or fines.
7. Any driver fined, suspended, or otherwise penalized by a partner track will have said tracks ruling enforced at all King Of Dirt Racing events. Example: If a driver is suspended for the remainder of the season due to technical or other violations, KOD will enforce the same penalty through the series.

3.0 DRIVER ELIGIBILITY

1. Any driver who possesses and/or owns a King Of Dirt Racing legal Pro Stock is eligible to compete in scheduled series events. Pro Stock drivers are also permitted to compete in Sportsman series events with a legal Sportsman car.
2. King Of Dirt Racing allows full-time Sportsman drivers to compete in the 358 Modified division. They are permitted to enter and race during Small Block Modified series scheduled events.
3. Any full-time Big Block Modified or 358 Modified drivers are not permitted to compete in King Of Dirt Racing Sportsman Series scheduled events.

4. All drivers are required to pay the standard entry fee to compete in any King Of Dirt Racing Sportsman Series scheduled events. This can be done during registration at the tracks.
5. Any full-time Sportsman driver that exceeds 6 Big/Small Block starts outside the King Of Dirt Racing Series allowance between the start of the KOD season and the end of the KOD season will be removed from Sportsman series competition.
6. Any questions about eligibility please ask series director and promoter and/or officials prior to scheduled King Of Dirt Racing Sportsman Series events.

4.0 RACE FORMATS & PROCEDURES

1. All King Of Dirt Racing events (358 Modified, Sportsman, & Pro Stock) will utilize the same format unless otherwise noted.
2. Each King Of Dirt Racing event begins with driver registration at the KOD trailer and/or table where each driver pays the mandated entry fee required before any driver enters the speedway surface. The KOD entry fee does not include pit admission to the speedway pit area.
3. Any driver failing to register and sign in with King Of Dirt Racing officials will have their time disqualified along with starting at the tail of their respective heat race.
4. All King Of Dirt Racing events will utilize a draw to set heat groups. Timed sessions will determine heat race lineups through either separate time trials or timed hot laps.
5. After qualifying heat races the top 12 qualified drivers will redraw for starting positions in the feature event. All other qualified drivers will fill in the field heads up based on finishing position in their qualifying event.
6. King Of Dirt Racing qualifies 24 cars through heat races and consolation races. There are four KOD series provisionals' available and 2 'buy in' spots (29-30) to make up a max total 30 car-starting field. (Provisionals explained in section 5.0)
7. King Of Dirt Racing reserves the right to allow any track promoter to add additional starting spots beyond the 30 car-starting field as they see fit.
8. All King Of Dirt Racing events will utilize double file starts throughout the racing event. In the event drivers cannot complete a lap following a yellow flag, a single file restart will be used regardless of total laps completed. Providing drivers complete a series of laps, the following yellow the field will go back to a double file restart.
9. During all racing events the leader has lane choice (inside or outside), however King Of Dirt Racing rules are the front row fires together coming off turn four at all tracks regardless of normal weekly procedures.
10. In the event of a yellow flag with one lap remaining, the following restart will be green and white together for a one-lap dash to the finish.

5.0 KING OF DIRT RACING PROVISIONALS

1. King Of Dirt Racing offers four series provisionals per touring event after all qualifying have been completed. KOD provisionals fill in spots 25-28 of the starting field.

2. KOD provisional starting positions are determined by current point standings with drivers in the top 15 in points who have competed in at least 70% of the scheduled events.
3. King Of Dirt Racing reserves the right to award a provisional starting position to any driver based on consolation finishing position should there be no need to use series provisionals. Example: all KOD tour drivers are qualified.
4. King Of Dirt Racing also offers 2 'buy in' positions per event. Those buy in positions are 28-30. Buy ins are positions where drivers are offered the option to pay the starting money for the feature event. They can therefore enter the race, improve their position, and earn points and pay out.

6.0 PROTEST & TECH PROCEDURES

1. King Of Dirt Racing works along with partner tracks tech inspectors to implement rule enforcement and/or compliance among drivers on the tour.
2. Both King Of Dirt Racing and/or partner tracks reserve the right to perform technical inspection on any aspect of a competitor's racecar.
3. Visual protests will not be permitted after a racing event takes the green flag. All visual protests must be made prior to the start of a racing event.
4. King Of Dirt Racing will not permit grudge protests. Any protest must be of legitimate reasons with merit. Protests cannot come from any direct employee of a racetrack.
5. King Of Dirt Racing abides by protest procedures set in place via partner track rules first. In the event the partner track has no protest procedure per say and/or chooses to follow KOD protest procedures the following steps will be taken.
6. Only a fellow competitor or team owner may protest a driver after a King Of Dirt Racing series event is completed.
7. Protests of any kind must be hand written, signed, and turned in to officials within 15 minutes of the conclusion of any series event.
8. In the event of a protest the part(s) in question will be checked thoroughly for their legality at the speedway. Should protested part(s) need to be removed and taken elsewhere for further testing they will be stored by the series and/or track before being taken to a predetermined location certified and/or highly qualified to determine the legality of the item(s) in question.
9. In the event of an engine protest the engine will be tested on a dyno and/or fully inspected for legality via certified engine repair shops.
10. All protests done off racetrack grounds will take place on a mutually agreed upon date and time between track officials, series officials, and protesting car/owner.
11. Standard partner track protesting fees are required to protest any part(s) on another competitor's car. A \$250 additional King Of Dirt Racing administrative fee is subject to

requirement in the event of any protest above and beyond tech inspection performed after the conclusion of series events.

12. Any refusal of technical inspection or protest inspection will result in non-compliance to rules and/or regulations set forth by King Of Dirt Racing. This can result in penalties up to and including loss of points, loss of money, and/or suspension.
13. King Of Dirt Racing has set a precedent for penalties in response to rule violations both on tour and through partner tracks. We will continue to ensure all drivers abide by the rules and regulations set forth and penalize those who do not without prejudice to continue making the sport better for all involved.
14. In the event of a disqualification for technical infractions, the driver DQ'd will forfeit their position rendering them last in the finishing order. Said driver's point fund money will be paid to King Of Dirt Racing and deposited into that drivers divisional point fund. Any driver disqualified for weight at the scales will forfeit their position rendering them last in the running order, but may collect last place money.

7.0 HOME TRACK BONUS POINTS

1. New for 2018 is the inception of home track bonus points to King Of Dirt Racing. Each driver can earn up to a set amount of bonus points based on how many tour races are scheduled in their respective division. EXAMPLE: if there are six races scheduled in a division, each driver qualifying for home track bonus points can have their best six races from their weekly track added into their King Of Dirt Racing tour point standings.
2. Home Track Bonus Points have been put in place to offer tour drivers the opportunity to earn extra points for their participation in King Of Dirt Racing series events. With a limited schedule through the summer it was necessary to reward drivers for support, along with enhancing tour experience by distancing tour regulars from non-regulars.
3. To be eligible (or qualify) for home track bonus points towards a drivers King Of Dirt Racing point standings, they must compete in at least 70% of the total events scheduled. EXAMPLE: if there is six races scheduled a driver must compete in a minimum of five out of the six to be eligible (or qualify) for home track bonus points.
4. 'In Market' drivers are classified as drivers who compete at a partner track hosting a King Of Dirt Racing event in their respective division. There is no additional fee and/or membership cost required above the standard entry fee at each event.
5. 'Out Of Market' drivers are classified as drivers who compete at non-partner tracks that do not host a King Of Dirt Racing event in their respective division. This is a one time \$50 membership fee, which will go directly to that drivers respective divisional point fund. This allows the out of market driver to earn home track bonus points regardless of where they race weekly.
6. All home track bonus points will be calculated into a drivers King Of Dirt Racing tour standings prior to their divisions season finale.
